

All of our Monthly Services Customers also benefit by not having to pay for a Service Call, only Labor on Property and Parts when it becomes necessary for repairs to be made during business hours.

This is just another way to say *THANK YOU* for being our customer

Benefits of being a Monthly Service

Customer:

Catch small problems before they become big problems.

Time saving service to the home owner.

Greatly improved efficiency.

Extended equipment life.

Reduce equipment fatigue.

Priority Customer Service 24 hours a day, 365 days a year.

Fast efficient service.

Customers' Responsibility:

- Responsible for electrical service.
- Keep grass, tree limbs and ants from around equipment.
- Keep a good path to equipment for easy access.
- Notify our Company as soon as possible when problems arise (Pumps, no water, bad water quality). Issues will be addressed on Monthly Service Invoice. These little things will greatly reduce bigger problems.
- If repair or replacement is needed, please call office to schedule an appointment for work order.
- Be sure to check Invoice every month.
